

## Description

Solid pine frame, wood planks connected on micro studs. Honeycomb technology filling allows noise reduction and keeps the door lightweight. MDF lining is used for stabilization. Covered in natural African Wenge veneer and finished with three layers of Becker Acrona nitrocellulose varnish with interim grinding and polish. Flat finish with some texture. Classica Lux is one of the most popular **interior door** in our collection.

All **interior doors** are coated with natural wood veneer, which require no further treatment of the slab. We use only the finest materials and construction techniques available on the market, which makes our products quality and appearance absolutely superb. Our products are built to last and are covered with a two year warranty guaranteed.
