

Description

Flexible width door. Two solid pine wood planks, lined with MDF, covered in natural African Wenge veneer and mortised for glass inlay. Three layer Becker Acrona finish with interim grinding and polish. Semi flat with a little texture. Tempered glass, used for this door is very strong and safe. It can be cut to fit in case the rough opening is not of standard size.

All **interior doors** are coated with natural wood veneer, which require no further treatment of the slab. We use only the finest materials and construction techniques available on the market, which makes our products quality and appearance absolutely superb. Our products are built to last and are covered with a two year warranty guaranteed.
