

## Description

Maximum201 has its sleek **contemporary design** due to its sharp angles and recessed inlay with **aluminum stripe moldings**. Solid pine frame, made of wood planks, connected on micro studs, recessed chipboard inlay, both lined with MDF and covered with high texture **African Wenge veneer**. Stripe moldings are made of polished aluminum. Becker Acrona varnish with interim grinding provides natural medium texture finish.

All **interior doors** are coated with natural wood veneer, which require no further treatment of the slab. We use only the finest materials and construction techniques available on the market, which makes our products quality and appearance absolutely superb. Our products are built to last and are covered with a two year warranty guaranteed.
