

Description

This **interior door** has a solid wood frame, made of pine planks connected on micro studs. Solid tempered glass inlay with solid wood moldings. MDF lining for stabilization and natural **African Wenge veneer**. Tree layers of nitrocellulose varnish with interim polish.

All **interior doors** are coated with natural wood veneer, which require no further treatment of the slab. We use only the finest materials and construction techniques available on the market, which makes our products quality and appearance absolutely superb. Our products are built to last and are covered with a two year warranty guaranteed.
