

Description

Classical design with tempered frosted glass inlay. **Slab frame** is made of solid pine planks. Filled with criss cross wood planks to ensure stability and maximum strength. Lined with MDF and covered with exotic **African Sapele** veneer. Recessed moldings are made of solid Sapele. Since there are no raised moldings, Desta Verra can be used as a **pocket sliding door** as well. Perfectly smooth African Sapele finish is one of the best in our classical collection.

All **interior doors** are coated with natural wood veneer, which require no further treatment of the slab. We use only the finest materials and construction techniques available on the market, which makes our products quality and appearance absolutely superb. Our products are built to last and are covered with a two year warranty guaranteed.
